Privacy Policy

Effective Date: March 31, 2025

1. Introduction
Welcome to CodeXplore. Your privacy is important to us. This Privacy Policy explains how we collect, use, and protect your information when you use our platform.

2. Data Collection
We only collect data necessary to improve the user experience and enhance our platform's functionality. The data we collect includes:

- Analytical data to optimize platform performance and user engagement.

- Grade ratings in the app to track learning progress.

- User ratings in the app to provide feedback and improve the experience.

- Data required for the generation of certificates upon course completion.

3. Use of Data
The collected data is strictly used for the following purposes:

- Enhancing user experience and platform functionality.

- Providing personalized learning progress tracking.

- Allowing users to rate their experiences for quality improvements.

- Generating completion certificates accurately.

4. Data Protection
We implement appropriate security measures to protect user data from unauthorized access, alteration, disclosure, or destruction. However, no method of transmission over the internet is 100% secure.

5. Data Sharing
We do not sell, trade, or share your personal data with third parties, except when legally required or necessary to provide essential services (e.g., certificate generation).

6. User Rights
You have the right to:

- Access and review the data we collect about you.

- Request data deletion where applicable.

- Modify any incorrect or outdated personal information.

7. Changes to the Privacy Policy

We may update this Privacy Policy from time to time. Any changes will be posted on this page with an updated effective date.
